

EXCELLENCE THROUGH ENDEAVOUR

The Richmond upon Thames School

Job Application Pack

AV Technician - 1 Yr Fixed Term Contract

Salary pro rata £22,042 - £23,254

Start date July or soon after

Dear Candidate

I am delighted that you have expressed an interest in The Richmond upon Thames School (RTS). We are a comprehensive secondary (11-16) academy which opened in the London Borough of Richmond upon Thames in 2017.

We are seeking resilient and forward-thinking people to support me and my senior team realise our Trust's vision that every student will leave RTS with excellent academic outcomes and a clear purpose for the next stage of their lives.

We have already established a vibrant, inclusive school that provides an excellent experience for every member of its community. With 600 students across Years 7, 8, 9 and 10 and next year growing to 750, the years which follow promise to be a very exciting time. Until 2021, when we are full, we will continue to grow into our permanent building and new sports centre. The school is uniquely situated on the Richmond Education and Enterprise Campus with Clarendon Special School, Capella House School, Richmond Upon Thames College. The next phase of the campus' development continues with the College's STEM centre and our New Sports Centre due for completion in 2023. In Autumn 2021, our founding Year 7 will be in Year 11, looking onward to their chosen Key Stage 5 programmes of study.

Starting a school from scratch is a once-in-a-lifetime opportunity that takes commitment, dynamism and a collaborative approach to working together to create something extraordinary. We recruit excellent staff and provide the professional development that they need to guide their endeavours for excellence as we know that building an exceptional school relies on our ability to inspire and nurture a phenomenal team of staff.

Working closely with me, you will help to shape the strategic direction of the school through a focus on raising attainment and progress for all students. You will benefit from working with a strong and dedicated team of staff fully committed to ensuring that all students achieve excellence through endeavour.

I hope that you will be able to see your place in this story and come forward to apply for this fantastic role.

Prospective candidates are welcome to discuss any questions that you may have prior to submitting your application; please contact Barbara Munro, PA to the Head Teacher via pa@rts.richmond.sch.uk to arrange a suitable time.

We look forward to receiving your application and wish you well with the process.

A handwritten signature in black ink, appearing to read 'K Dooley', with a small flourish at the end.

Safeguarding

The Richmond upon Thames School is committed to safeguarding and promoting the welfare of children and young people and we expect all staff and volunteers to share this commitment.

Our motto

Excellence Through Endeavour

Our school

RTS is a co-educational, non-selective and non-faith based school for 11-16 year olds and admits five forms of entry (150 children) per year.

The Richmond upon Thames School (RTS) provides an inspiring place for young people to learn and work purposefully towards achieving their best at all times. Our students are valued as individuals, recognised for their talents and challenged in their endeavours.

Our school encourages an atmosphere that rewards hard work and expects high academic achievement, but also provides an environment where children can develop as people and learn valuable life skills. Our students will emerge as confident, resilient individuals, who can build positive relationships and demonstrate commitment in everything that they do.

RTS strives to be a welcoming place where everyone is valued highly and where tolerance, honesty, cooperation and mutual respect for others are fostered. It provides equal opportunities for all children regardless of disability, gender, race, religion or beliefs. We also promote a shared sense of purpose with our students, teachers, parents, and Trustees; all working towards a common goal to make the best possible school for our children.

Our team of talented staff inspire and nurture students throughout their school life, delivering imaginative, stimulating lessons that keep every child engaged. The school is already characterised by its excellent working relationships with industry partners, giving students the best possible foundations for their future careers. Our partners help shape the curriculum and set real-world projects, and will offer work experience and provide mentoring. Our unique access to real-world facilities through on-site partners Harlequins, Haymarket Media Group and Richmond upon Thames College, offer students a huge range of opportunities that will transform their future employment potential and enhance both their personal and physical development.

As leaders in digital technologies, we give every student the opportunity for safe and responsible access to the latest digital devices and encourage them to become the developers, not just the consumers, of future technology.

As a new school, connecting with our local community is important to us. Through supporting local projects, our students are encouraged to participate in programmes that widen their experiences and teach them the value of helping others. The school will also serve as a learning hub, providing a range of before-and after-school clubs, holiday activities, sports facilities hire and adult evening classes.

Our campus and facilities

RTS is located in a new, purpose built building, and Clarendon School's secondary students, as well as Capella House students, are located in accommodation adjoining RTS's building.

A newly built Richmond upon Thames College, together with the schools, make up the Richmond Education and Enterprise Campus.

When complete, RTS's outside spaces will include five multi-purpose sports pitches for hockey, tennis, netball and more direct access to 4G and grass pitches for rugby and football. In 2023, our double-height Sports Centre, comprising four-courts, dance studio and changing facilities will open.

The Campus approach will enable a new model of learning integrated with enterprise, delivering high quality education hand in hand with developing young people's skills, offering work opportunities and jobs. Our partners, Haymarket and Harlequins are both incredibly successful at home and globally; and bring an exciting additional dimension to our school.

**Richmond upon
Thames College**

Richmond upon Thames College

"Over the next two to three years the College is undergoing a transformation to become a first class further education college and a major technical and professional hub for West London with a reputation for academic and vocational excellence. The College is delighted to be a founder member of a school which will provide a high quality education, with a curriculum co-designed with us and the other Campus partners to provide choice and successful progression to further and higher education."

haymarket®

Haymarket

"Having a clear understanding of what employers look for in a business professional is crucial for tomorrow's workforce. The Haymarket Skills Academy programme of media days, career support, work experience opportunities will help RTS students to maximise their potential."

Clarendon School

"A brand new, purpose built building will provide facilities and teaching spaces specifically designed for the particular needs of Clarendon School's pupils, including those with autism. Being co-located on the Campus with RTS and the College will provide opportunities for inclusion for students to and from each setting and improved transition arrangements post-16. It will also allow access to shared facilities and improved opportunities for sharing staff expertise between settings."

Harlequins

Harlequins

"Harlequins is immensely proud to be a part of RTS. As one of the school's partners, the Club will be working closely with the Free School to create a sporting programme for all age groups and levels across a range of sports to encourage participation and healthy living. There will also be a number of work placement opportunities with access to experts from the industry including health and nutrition, strength and conditioning, leadership and management. We are looking forward to working with the other partners to deliver an outstanding educational campus for 2017 and beyond."
