

EXCELLENCE THROUGH ENDEAVOUR

The Richmond upon Thames School

Job Application Pack

Subject Teacher

MPR / UPR Outer London

Closing Date: 24 March 2018

Start Date: September 2018

Welcome

Dear Candidate,

I am delighted that you have expressed an interest in The Richmond upon Thames School (RTS), a recently opened 11-16 secondary school in Twickenham.

I was appointed as Head Teacher in February 2016 and started full-time on 1 September 2016. Our trustees, with the full support of our local community, have brought the school to the stage where it opened in 01 September 2017.

Since opening, through the unwavering commitment of our exceptionally skilled Staff, supportive Governing Body and Parents, we have already established a vibrant, inclusive school that provides an excellent experience for every member of its community. RTS strives to be a dynamic centre of learning that is able to draw upon the opportunities provided through the unique partnership which was formed to create it.

At RTS we do not compromise on our commitment to ensuring excellent outcomes for all pupils. We believe that through a balanced combination of support, challenge and hard work we can all achieve beyond our expectations.

RTS is a partner of the innovative Richmond Education and Enterprise Campus development of the existing Richmond upon Thames College site and the school will move into its permanent accommodation in summer 2018. Starting with 150 Year 7, our school will grow year by year and the next few years promise to be a very exciting time as we move into our permanent building and later our sports centre.

Starting a school from scratch is an exceptional opportunity that takes commitment, dynamism and a collaborative approach to working together to create something very special. As a founding member of staff, this post will provide a unique blend of challenges and rewards but more so the opportunity to help shape the school from the start. Believe me, there is nothing like it!

If you would like to arrange an informal, confidential discussion with me before applying, please contact the School Office by email, info@rts.richmond.sch.uk.

We look forward to receiving your application and wish you well with the process.

Kelly Dooley

Head Teacher - The Richmond upon Thames School

Safeguarding

The Richmond upon Thames School is committed to safeguarding and promoting the welfare of children and young people and we expect all staff and volunteers to share this commitment.

Our motto

Excellence Through Endeavour

Our school

RTS is a co-educational, non-selective and non-faith based school for 11-16 year olds and will admit five forms of entry (150 children) per year.

The Richmond upon Thames School (RTS) provides an inspiring place for young people to learn and work purposefully towards achieving their best at all times. Our students are valued as individuals, recognised for their talents and challenged in their endeavours.

Our school encourages an atmosphere that rewards hard work and expects high academic achievement, but also provides an environment where children can develop as people and learn valuable life skills. Our students will emerge as confident, resilient individuals, who can build positive relationships and demonstrate commitment in everything they do.

RTS strives to be a welcoming place where everyone is valued highly and where tolerance, honesty, cooperation and mutual respect for others are fostered. It provides equal opportunities for all children regardless of disability, gender, race, religion or beliefs. We also promote a shared sense of purpose among our students, teachers, parents, and governors, all working towards a common goal to make the best possible school for our children.

Our team of talented staff inspire and nurture students throughout their school life, delivering imaginative, stimulating lessons that keep every child engaged.

The school is already characterised by its excellent working relationships with industry partners, giving students the best possible foundations for their future careers. Our partners help shape the curriculum and set real-world projects, will offer work experience and provide mentoring. Our unique access to real-world facilities through on-site partners, Harlequins, Haymarket Media Group and Richmond upon Thames College, offer students a huge range of opportunities that will transform their future employment potential and enhance both their personal and physical development.

As leaders in digital technologies, we give every student the opportunity for safe and responsible access to the latest digital devices and encourage them to become the developers, not just the consumers, of future technology.

As a new school, connecting with our local community is important to us. Through supporting local projects, our students are encouraged to participate in programmes that widen their experiences and teach them the value of helping others. The school will also serve as a learning hub, providing a range of before- and after-school clubs, holiday activities, sports facilities hire and adult evening classes.

Our campus and facilities

RTS will be located in a new, purpose built building. Clarendon School's secondary students will be located in new accommodation adjoining RTS's building. A newly built Richmond upon Thames College and the Haymarket tech hub, for up to 20 of their technical staff, will together with the schools, make up the Richmond Education and Enterprise Campus.

Our outside spaces will include five multi-purpose sports pitches for hockey, tennis, netball and more direct access to 4G and grass pitches for rugby and football and a four-court Sports Hall.

The Campus approach will enable a new model of learning integrated with enterprise, delivering high quality education hand in hand with developing young people's skills, offering work opportunities and jobs. Our partners, Haymarket and Harlequins are both incredibly successful at home and globally and this will bring an exciting additional dimension to our school.

Richmond upon Thames College

"Over the next two to three years the College is undergoing a transformation to become a first class further education college and a major technical and professional hub for West London with a reputation for academic and vocational excellence. The College is delighted to be a founder member of a school which will provide a high quality education, with a curriculum co-designed with us and the other Campus partners to provide choice and successful progression to further and higher education."

Haymarket

"Having a clear understanding of what employers look for in a business professional is crucial for tomorrow's workforce. The Haymarket Skills Academy programme of media days, career support, work experience opportunities will help RTS students to maximise their potential."

Clarendon School

"A brand new, purpose built building will provide facilities and teaching spaces specifically designed for the particular needs of Clarendon School's pupils, including those with autism. Being co-located on the Campus with RTS and the College will provide opportunities for inclusion for students to and from each setting and improved transition arrangements post-16. It will also allow access to shared facilities and improved opportunities for sharing staff expertise between settings."

Harlequins

"Harlequins is immensely proud to be a part of RTS. As one of the school's partners, the Club will be working closely with the school to create a sporting programme for all age groups and levels across a range of sports to encourage participation and healthy living. There will also be a number of work placement opportunities with access to experts from the industry including health and nutrition, strength and conditioning, leadership and management. We are looking forward to working with the other partners to deliver an outstanding educational campus for 2017 and beyond."
